## PRESSING IN to the Holy and Hidden Heart of Life

*“Listen to your life. See it for the fathomless mystery that it is. In the boredom and pain of it no less than in the excitement and gladness: touch, taste, smell your way to the holy and hidden heart of it because in the last analysis all moments are key moments, and life itself is grace.”* FREDERICK BUECHNER

**I**N this spacious summer retreat – which includes an afternoon walking the Wigwam’s outdoor grass labyrinth – Brian Draper will encourage us to pause, to activate our senses, to cultivate presence, to gain perspective, and to nurture the dynamic sense of communion with God, ourselves, and Creation, which lies at the heart of life.

Brian says, “Whenever I walk the Wigwam’s delightful labyrinth, I’m reminded of Frederick Buechner’s inspirational words! We’re pressing in, soulfully, to the mysterious heart of life. A place beyond mere words, a space that invites us to discover more of God, and to experience more of who God has created us to be.

“We’ll have times of evocative, guided reflection, as well as extended periods of silence and stillness, which will help us to draw aside, in order to return refreshed and reinvigorated to the world that awaits us.”

We hope you can join us!
